

Data protection information for participants in online events in connection with FAIR Data Austria at TU Wien

Data protection and ensuring it are important concerns at TU Wien. The processing of personal data occurs in strict compliance with the principles and requirements set forth in GDPR¹ and the Austrian Data Protection Act, DSG.² TU Wien processes only data required to achieve the purposes sought and endeavours at all times to guarantee the security and accuracy of the data.

FAIR Data Austria is a project funded by the Federal Ministry for Education, Science and Research (BMBWF) in connection with tendering for „Digital and social transformation in university-level education” for collaborative development of technical infrastructure, tools, networks and training programmes in the field of research data management.

The project is embedded in the [Research Data Cluster](#). More information on the FAIR Data Austria project can be found in: <https://forschungsdaten.at/en/fda/>.

 - University of Innsbruck
- to the particular registration tool used (cf. invitation or registration)
- to the particular conference tool used (cf. Invitation or registration)

Purpose of data processing:

We are collecting your personal data for processing and transmittal of data for organising and administration of online events held by TU Wien or its project partners in connection with the FAIR Data Austria project.

Data processing for purposes of administration and/or transmittal of contact data to other event participants:

To fulfil the purpose of the particular online event (e.g. exchange of information within the scientific community), contact data (first name and last name and institution) may be transmitted or processed in documents only accessible to the participants.

Transmittal to a third country:

Depending on which registration and/or conference tool is being used, personal data may be

- transmitted to third-party firms within the EU/EEA;
- transmitted to third-party firms outside the EU/EEA if there is an adequacy decision

Retention period:

We store your data for completion of the online event and for any eventual follow-up event and, beyond that, at the longest until the end of the FAIR Data Austria project.

As **data subject** of this data processing, you have the following rights in relation to TU Wien:

- the right to information;
- the right to rectification;
- the right to erasure;
- the right to restriction of processing of your data;
- the right to data portability;
- the right to object

Moreover, as data subject you have the right to complain to the data protection authority about any allegedly inadmissible data processing or about any failure on our part to fulfil our obligations under GDPR.
