The overall responsibility for issues of child care and work-life balance is held by Mag. Anna Steiger, Vice Rector for Human Resources and Gender.

TU Wien employs its own representative for questions of child care and family and offers support in finding suitable child care, day care and school facilities. The representative for child care and family issues cooperates with the “TUKids&Care” office to support you in finding the right child care, day care or school facilities for your child.

The company preschool offers 84 places for children ages 1 to 6 years and is open year-round (exception: Dec. 24 to Jan. 1 and the last summer vacation week in August).

Daily opening hours: 7:00 a.m. to 7:00 p.m.
